

Index for Workbook 2

Annulus _____	58	Inverse of a function _____	23
Argument _____	6	Limit _____	28
Asymptote _____	67	Line _____	37
Centre of circle _____	47	Linear function _____	40, 64
Circle _____	46-61	Modulus function _____	71
Composition of functions _____	9	Numerator _____	66
Concentric circles _____	58	Parameter _____	17
Continuity _____	27	Parametric representation _____	17
Coordinates _____	12	Pole _____	70
Cubic _____	64	Polynomial _____	63
Degree _____	63	Quadratic _____	64
Denominator _____	66	Quartic _____	64
Distance between points _____	45	Radius of a circle _____	47
Domain _____	13	Range _____	13
Function _____	3, 21, 57, 63	Rational function _____	66
Function - 1 to 1 _____	22	Sketching _____	70
- continuous _____	27	Unit step function _____	73
- discontinuous _____	27	Variables - dependent _____	13
- inverse _____	23	- independent _____	13
- linear _____	37		
- modulus _____	71		
- odd and even _____	31		
- periodic _____	29		
- rational _____	66		
- unit step _____	73		
Gradient of a line _____	42		
Graph _____	12		
Graph sketching _____	70		

EXERCISES

5, 10, 16, 19, 25, 35, 43, 44, 45, 60, 65,
71, 74
