

Index for Workbook 39

Airline booking _____	29	Piston ring diameter _____	17
Binomial distribution _____	25-32	Probabilities _____	7-13
Central limit theorem _____	3	Probability intervals _____	21-34
Component variation _____	17, 18-20	Random variables	
Cumulative distribution function ____	14	- sum and difference ____	33-38
Electric meters _____	28	Standard normal distribution _____	5
Flight overbooking _____	29	Strain gauge resistance _____	18-20
Magnets _____	28	Tables _____	39
Normal approximation to		EXERCISES	
binomial _____	25-32	15, 30, 36	
Normal distribution _____	4
